

Microjet™ Main System Filter

General Information

Inprinta Filter Code: 8131 - ●●●● - 1 - LL - ●

Micron Rating		Housing	
0500	5µm	N	Natural
1000	10µm	C	Opaque black

Description: Microjet™ main system filter with luer connector or barb adapter

Overview

The main system filter is specifically designed for the requirement of wide and superwide format graphics printer market. The inkjet specific self contained unit is designed around an all-polypropylene construction, with no binding agents, to give low extractables and ensure 100% compatibility with inkjet fluids. These filters are suitable for solvent or UV ink systems.
